## Comments on the REACH regulation

Dear Sir or Madam,

the European regulation (EG No. 1907/2006) from 18.12.2006, Registration, Evaluation, Authorisation and restriction of Chemicals (REACH), has been issued in the Official Journal of the European Communities on 30.12.2006. The regulation came into effect on June 1st, 2007 and is legally binding without further legal acts.

For Lenord, Bauer & Co. GmbH, there is no obligation to register substances in accordance with the REACH regulation, articles 6 and 7:

1. Lenord, Bauer & Co. GmbH does not produce any substance or preparation affected by the REACH regulation, but is merely processor of substances or preparations to products.
2. Any affected substances or preparations present in products of Lenord, Bauer & Co. GmbH are totalling well below 1 ton per year.
3. Products produced and distributed by Lenord, Bauer & Co. GmbH are not hazardous substances and do not release such substances in intended use.

Best regards

**Lenord, Bauer & Co. GmbH**
